Humphries on hunt

Kris Humphries ducked the paparazzi and checked out two rentals at 55 Thompson St. in SoHo. Humphries showed up with his mom, **Debra**, and his plus-size model sister **Kaela**, spies say.

They took a look at a \$20,000-a-month, two-bedroom, two-bathroom, eighth-floor unit with a wraparound terrace. Humphries also saw a one-bedroom, 1½-bathroom, \$9,500-a-month residence, which, sources say, might work for his assistant.

The rental building also got a visit from newly blonde **Nicky Hilton**, who popped by, rocking shorts and boots, to see a \$14,500-a-month, two-bedroom, two-bathroom unit. Hilton, who came without a broker, arrived with a male companion.
